San Diego is on full Comic-Con alert this week. During these few remaining hours before the [2011 San Diego Comic-Con](http://www.examiner.com/article/2011-san-diego-comic-con) (<http://www.examiner.com/article/2011-san-diego-comic-con>) commences, 100,000 plus attendees are readying themselves for the worlds largest event celebrating everything comic/pop culture inspired.

Thanks to the Comic-Con organization for posting the complete four-day program schedule online, spectators can plan ahead, how they will spend their time during this marathon event from July 21 to 24.
